

variety may be named and entered in shows in a special class of "Unlisted Varieties" for competition, until listed or registered.

2. A variety imported from a foreign country should retain its foreign name or its literal translation. No two varieties should have the same name. The first name published will be accepted and recognized.
3. The name of living persons should not be applied to a Hibiscus without the consent of that person. If deceased only with the consent of the nearest of kin.
4. The standard method of measurement of bloom to be from petal tip to petal tip across the diameter.
5. No registration or listing to be made unless plant is 3 years old from seed pod, proven an unusual flower, a good bloomer, and a good foliage plant.
6. Each chapter to have a Nomenclature and Registration Committee. This committee to work thru the regional member of the National Committee who is appointed by the President of the AHS. The chain of command being Chapter Chairman of Nomenclature, to regional member, to National Committee, to Board of Directors of the AHS.
7. An accepted Hibiscus will be issued recognition in the form of a certificate signed by the President of the AHS and the Chairman of the National Committee.

The AHS has been invited to participate in an international nomenclature group of all plant growing organizations which at this time is under consideration and will be reported on.

We are now in preparation of a supplement of new worthy varieties and a new description of certain varieties to be reactivated. Upon completion of the data forwarded by the members of the nomenclature committee this listing will be published shortly in the Seed Pod.

It has been our privilege and pleasure to serve on

this committee in our appointed capacity and we stand on call to assist in any way the incoming officers.

W. Bruce Parnell

B. L. Barling

Co-Chairman

REPORT OF SEED POD ACCOUNT

Since February there has been 2 issues of the Seed Pod published and mailed. Following is a financial report of these two issues:

Ads sold	\$186.89
Paper, Ink, stencils	\$90.33
Bank Charges	2.00
Postage	44.00
	<u>136.33</u>
Balance on hand	\$ 50.56

In this \$50.56 there are paid ads for coming issues. There are enough covers on hand for another issue. Paper and stencils and ink will have to be purchased for the Fall Issue. More ads will need to be sold to put the Seed Pod on a sound financial basis.

James E. Monroe, Asst. Editor.
